PUBLIC NOTICE OF FILING OF
EN-TOUCH SYSTEMS, INC.
TO PROVIDE INTRASTATE COMPETITIVE
TELECOMMUNICATION SERVICES

On August 31, 2000, En-Touch Systems, Inc. ("En-Touch") filed an application ("Application") with the Arizona Corporation Commission ("Commission") for a Certificate of Convenience and Necessity to provide intrastate competitive telecommunications services in the State of Arizona. The Company also requested a determination that its services are competitive. The Application contains information regarding the factors set forth in the Competitive Telecommunication Rules (A.A.C. R14-2-1101 et seq.) including general economic conditions in the market, the number of alternative providers, estimated market share of the alternative providers, the ability of alternative providers to make functionally equivalent or substitute services at competitive rates, terms and conditions as well as information on other indicators of market power. The Company's Application is available for inspection during regular business hours at the offices of the Arizona Corporation Commission in Phoenix, Arizona at 1200 West Washington Street and at En-Touch Systems, Inc. 13105 Northwest Freeway, Suite 1020, Houston, Texas 77040 ((832) 590-5500).

Pursuant to A.A.C. R14-5-1104(E), interested persons shall have twenty (20) days from the publication of this notice to file objections to the Application and to submit a motion to intervene in the proceedings. Intervention shall be permitted to any person entitled by law to intervene and have a direct and substantial interest in this matter. Persons desiring to intervene must file a written motion to intervene with the Commission, which motion should be sent to the Company or its counsel and to all parties of record, and which, at the minimum, shall contain the following:

1. The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.
2. A short statement of the proposed intervenor's interest in the proceeding (e.g. a customer of the Company, shareholder of the company, a competitor, etc.).
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. HOWEVER, FAILURE TO INTERVENE WILL NOT PRECLUDE ANY INTERESTED PERSON OR ENTITY FROM APPEARING AT THE HEARING AND MAKING A STATEMENT ON THEIR OWN BEHALF.

If you have any questions concerning this application, or want information on intervention, you should contact En-Touch Systems, Inc. at the address and telephone number listed above or the Consumer Services Section of the Commission by calling 1-800-222-7000.
